[M300-M386]
Here are entered collections of compositions for three instruments belonging to various families and in various combinations. Collections of compositions not in a specific form or of a specific type for a single combination of three instruments, and individual works, are entered under this heading followed by a parenthetical qualifier with the names of the instruments or the term "unspecified instrument(s)."
Compositions not in a specific form or of a specific type for three bowed stringed instruments are entered under String trios; for three wind instruments under Wind trios; for three brass instruments under Brass trios; for three woodwind instruments under Woodwind trios; and for three plucked stringed instruments under Plucked instrument trios.
Compositions for piano, violin and violoncello are entered under Piano trios.
Compositions for three percussionists are entered under Percussion ensembles.
Compositions for three solo voices are entered under Sacred vocal trios or Vocal trios.

[HD2758.5]
Here are entered works on combinations in restraint of trade in which stock ownership is transferred to trustees, who in turn issue trust certificates and dividends and who attempt to achieve monopolistic control over output, prices, or markets. Works on combinations in which independent business enterprises formally agree among themselves to control or limit output, prices, and/or markets so as to achieve monopolistic power are entered under Cartels.
